Meeting Location: Packard's, Northampton, MA

Meeting Called to Order Time: 7:30PM

Members Present: Tim C., Alicia W., Leila E., Kathryn S, Jonathan B., Jeff B, Sean C.

Members Absent: Thom B, Scott M, Al D

- The June 2015 BOD Meeting Minutes were approved
- Sean Condon welcomed as new board member
- Tim gave a quick Tour of Hilltowns Update- less than two weeks away, low volunteer and racer sign-up so far. But everything is in place and ready to go
- It was noted that the free kids races at Look Park started today
- The Thursday Night group ride was discussed. Needs a dedicated leader and possibly a route change. One issue is that a single rider's actions affects everyone else in the group and a designated person is needed to manage that. Tim will contact previous leaders to see if anyone can commit.
- Sean proposed NCC co-sponsor a screening of "Love of Mud" as a fundraiser for JAM and others. The board approved splitting the cost with Speed Sprocket Cycle Works. Sean to check with Northampton Brewery as a possible location. Kathryn will check to see if some of the JAM racers can attend.
- Fall clothing order with Voler was discussed. Barely met minimum order, on the fence if it was worth it
- Jonathan requested the items from Charlie Moran's donation, if repair related, be donated to the Hampshire Education Collaborative for their bike repair program. Jonathan explained the program, the board approved the request.
